They are fitted with emergency pull cords which alert on-site staff giving peace of mind not only to tenants but to their relatives and friends.

All areas of the buildings are wheelchair accessible, including the apartments, and all floors are served by a lift.

CARE AND SUPPORT

Care and support is provided by our professional staff team through person centred care and support plans agreed with our tenants.

Our care and support staff are based at our Extra Care properties and are available in an emergency 24hrs a day.

We are able to support and accommodate tenants living with physical disabilities, Dementia and mental illness.

SOCIAL SPACES & ACTIVITIES

We have lounges, dining areas and gardens where our tenants can relax with friends, neighbours and family.

Various entertainers visit throughout the year plus there are activities from DVD film shows, fish & chip suppers, exercises through to word games, charity events and coffee mornings.

In the warmer months tenants enjoy the secluded gardens and can get involved with the planting of summer flowers in the pots and raised flower beds.

I DID NOT FEEL SAFE OR
HAPPY BUT SINCE MOVING
HERE I FEEL SAFE AND NOT
SCARED ANYMORE”**

VISITING PROFESSIONALS

For tenants who are unable to get out and about we have visiting Hairdressers, Chiropodists, Opticians and Dentists.

GP's, District Nurses, Physiotherapists and hearing specialists also provide appointments at home for our tenants.

CATERING

We are able to cater for a range of dietary needs and offer a freshly cooked 2-course midday meal 7 days a week.

The menus are changed seasonally in consultation with our tenants.

This is a mandatory provision at our Extra Care properties in order to ensure a cost-effective, high-quality service is maintained for all tenants.

Where tenants require assistance with breakfast and supper in their own apartments our staff are on-site to provide this.

LAUNDRY

A laundry service is provided, with clothing, bedding and towels, collected, washed and dried on-site and delivered back to tenants.
